Education and training

Diploma of Classical Maturity (State High School "G.Pascoli", Albenga-SV, 1974); Degree in Medicine and Surgery (University of Genoa, 1980). Specialization in Hygiene and Preventive Medicine with Hospital Hygiene and Technique orientation (University of Genoa, 1984). Specialization in Hygiene and Preventive Medicine with orientation of Laboratory of Public Health (University of Genoa, 1986); Specialization in Management of Health Authorities (LUISS-Rome, 1997). Specialization in Organization and Management in Healthcare (Bocconi University, Milan, 1999). Master in Health Economics (University "Tor Vergata", Rome, 2000).

Professional Position

Full Professor of Public Health and Hygiene (MED/42) of the UNIVERSITY OF SIENA since 2001 (formerly Associate Professor since 1987). He carries out annually about 30 lessons for a total of about 700 hours of lessons (Master's Degree Courses in Medicine and Surgery, in Nursing and Obstetrics and Rehabilitation Sciences, as well as numerous Specialization and Master's Schools). Head of the Programming and Organization Laboratory of Health Services at the DEPARTMENT OF MOLECULAR MEDICINE AND DEVELOPMENT. Director of the Master "Health Services Management (II level) and of the Master "Management for Health Professions" (I level).

Member of the Evaluation Boards of various Healthcare Companies.

AGENAS expert in the thematic areas:

- Clinical/Organizational/Epidemiological/Social

- Economic/legal.

Scientific Assignments

Member of the Governing Council of the EUROPEAN PUBLIC HEALTH ASSOCIATION (EUPHA); Member of the International Editorial Board of the Journal of Preventive Medicine and Hygiene; Scientific Director of the journals "Health Organization" and "Health World"; Member of the Scientific Committees of the "Rivista Italiana d'Igiene", of "Igiene e Sanità Pubblica" and of the series "Medicina e Salute" Ed. AONIA, Lucca; President of the Technical-Scientific Committee of the Italian Society of Health Promotion.

Other Affiliations

Order of Surgeons and Dentists of the Province of Savona (President from 1985 to 1990); Order of Journalists of Tuscany; Italian Society of Hygiene, Preventive Medicine and Public Health (of which he is a Lifetime Member). Previously Secretary of the Liguria Section from 1982 to 1988 and then of the Tuscany Section from 1989 to 1992, Chief Editor of S.It.I. News under the Presidencies F.L. Petrilli and P. Crovari, President of the Tuscany Section in 2008-2010); Italian Society for Health Promotion (Founding Member); Italian Society for the Quality of Health Care; Italian Association of Epidemiology; Italian Association of Health Economics; Italian Society of Health Sociology; Italian Society of Social Medicine (former member of the Board of Directors and Auditor). Istituto Storico della Resistenza e dell'età contemporanea della Provincia di Imperia (member of the Scientific Committee).

Scientific Production

Author of about 800 scientific publications (and creator of 3 technological products/software), relating mainly to the following topics:

- Descriptive and evaluative epidemiology (in particular need and outcome)
- Planning, organisation and management of health services
- Environmental hygiene (with particular reference to water supply, hospital environment and health impact assessment)
- Epidemiology and prophylaxis of infectious diseases (with particular reference to influenza and iatrogenic infections).

NUMEROUS NATIONAL AND INTERNATIONAL AWARDS AND RECOGNITIONS.

Other Results

Director of the School of Specialization in Hygiene and Preventive Medicine of the University of Siena from 2001 to 2016. Director of the Specialization Courses "Programming and Organization of Health Services", "Management of Healthcare Facilities", "Informatics, Statistics and Epidemiology", which he started at this University in 1996. The Postgraduate School of Public Health, thus established in Siena, has been considered by the Permanent Conference of the Italian Faculties of Medicine and Surgery "one of the most successful and concrete models of post-graduate training in our country".

Medical Director II level c/o Siena AOUS Health Directorate from 1998 to 2014 (Director UOC Epidemiology Hospital from 1998 to 2002): first studies at national level on risk adjusted mortality and hospital patient mobility.

In 2009, following the dedication of Pubblici Giardini to the memory of the Father, Libero (Doctor, Entrepreneur, Patriot), by the City of Albenga-SV, he took over from a bankruptcy situation the local medical-surgical-rehabilitative nursing home "San Michele" (founded by his parents in 1965 and run by them until 2000): the management company he set up ad hoc, ENNE Srl, redeemed the more than 50 employees from the redundancy fund and reached a balanced budget in 2013. Today it is the lead company in Liguria for the "bio-psycho-socio-environmental" Rehabilitation Project, of which Prof. Nicola NANTE is the creator.

On 15/12/2017 the Municipality of Albenga, on the proposal of the Associations Dopolavoro Ferroviario, Croce Bianca-ANPAS, Vegia Arbenga, Centro Panunzio, appoints it as INGAUNO DELL'ANNO 2017. On 7/10/2019 receives from the Italian Society for Health Promotion (SIPS) the "GOLD MEDAL FOR HEALTH PROMOTION 2019".
